**Subject:** FW: Public Safety Board concerning prevention and intervention

Jason,

I hope all is going well. Please see below. Our Director of Public Safety is establishing a "Prevention & Intervention" committee of various key officials. See the list and advise if you, or your designee, can serve.

Best,

Damon E. Duncan  
Chief Executive Officer

Damon:

I have received commitments to sit on the board from the following:

- Brian Swann, RRHA Director of Public Safety
- Chief William Smith, Richmond Police Department
- Colette McEachin, Richmond City Commonwealth Attorney
- Victoria Pearson, Deputy Attorney General
- Dr. Mike Aboutanos, Acute Care Surgical Services/Trauma General Surgery
- Fabrizio Fasulo, Director, Center for Urban Regional Analysis (CURA) at VCU
- \*Jason Kamras, Superintendent Richmond Public Schools

I am still trying to get in touch with Jason Kamras who I believe is a vital part of what we want to accomplish but have not been able to get through to him. Any assistance you can provide would be appreciated. Once I receive a response from Mr. Kamras the initial members will be complete and we can start the process of establishing the board and its mission.

Thanks,

Brian
